Re: Shaw Building Addition and Renovation  
Florida State University.

Mr. Tracy Lee,

I would like to thank you and your entire staff for the outstanding job that is being done at the above reference project. Mr. Mike Stewart and the crew who are working on the job site are truly a delight to work with. Being part of a profession that increasingly seem to pay little or no attention to detail and visual clarity, it is indeed a pleasure to work with such polite, conscientious and professional craftsmen, who take such pride in doing the job correctly. Thanks for being a part of this Project and doing quality work.

If I can be of further assistance please feel free to contact me.

Sincerely,

Roger Chantrielle  
Project Designer
